FURDU 2023

GREETINGS EVERYONE!

Welcome to FurDU 2023 in our brand-new Hotel! We've been working hard to get all the details sorted and make our transition as smooth as possible.

We are a bit further from Surfers Paradise central, but with the tram stop right out front, it's just a short trip to either Cavil Ave or Pacific Fair.

We've had to expand our team a little to deal with our growing needs, So I'd like to welcome Rusty, Zephyr and Jet on Board Rusty for panels and scheduling, Zephyr for conops and technical matters and lastly Jet , Hotel Liaison and second for AV.

Our theme this year is retro gaming.
this means different things to different people depending on your generation. To me retro is Space invaders, pacman and loads more of the arcade games that were around before consoles was a thing!

Find your Player two and let's get Gaming!

Furry Down Under acknowledges and pays respects to the people of the Yugambeh language region of the Gold Coast, all their descendants both past and present as well as all Aboriginal and Torres Strait Islander Peoples.

FURDU VR

GREETINGS GAMERS!

On behalf of myself and the VR operations team we would like to welcome you to FurDu 2023, whether here in sunny Queensland or virtually in VRChat. We are excited to bring back Dull Yarpus who created our custom VR world last year and for Tails of Terror, to again create a beautiful thematic virtual world for those in VRChat who want to experience the excitement of FurDu from their homes across Australia and around the world.

Thank you again Dull for donating his time, resources, and most importantly, his creativity. Additionally this year, I want to thank Misho, Roxy Reee, and the crew at Vibe Night for providing extra logistical and operational support from VR.

Come interact with everyone at our VR portal during the con during the dances, the Aussie VR furs and VR Meet & Greet panels.

Game ON and see you in VR!

RESPAWN 621

While you are at the con, it's important to take care of your health. For years we have encouraged furries to follow one simple rule to help you avoid the dreaded *"con-crud"*... **621!**

SIX HOURS OF SLEEP!

Your body needs sleep to stay healthy. Many people attending cons try to get by on as little sleep as possible for fear of missing out (FOMO). Remember: ***Lack of sleep makes you tired and no fun to be around.***

TWO MEALS A DAY!

Proper meals! Not just a snack from a vending machine or coffee. Have a decent breakfast and go out to lunch/dinner with others. At Crowne Plaza? You get one free breakfast with your room, take advantage of that and fill up!

ONE SHOWER!

Or more if you are a suiter! Personal hygiene is ***very*** important, nobody wants to hang out with someone who smells bad!

FURDU Charity

HOW WE HELP?

Every year at Furry Down Under, we hold a charity auction; the proceeds of which are donated to Fresh Start Rescue, to assist with rescuing animals from shelters, fostering them, and giving them a new forever home. This year, FurDU expanded our support for Fresh Start, holding a room booking raffle which brought our communities total raised to $1,100 already this year.

ABOUT FRESH START RESCUE

We are based in Brisbane, Queensland but have a network of foster families and volunteers across the state's south east, including the Northern and Southern suburbs of Brisbane, Gold Coast, Sunshine Coast, Ipswich, and the Lockyer Valley.

We do not have a shelter facility. All of our pets live in loving foster homes while they wait to be adopted. Once we accept a dog or cat into foster care, we keep them for as long as it takes to find that perfect forever home. We don't give up!

Our organisation is 100% volunteer powered! We do not receive any government funding or big business sponsorship.

FAUX'S FURDU

Easter Egg Hunt

A Dutch Angel Dragon partial is at stake. Are you ready?

In the year 2023, reality is an ugly place. The only time Arcade feels alive is when they are jacked into the FurDU (Fantastically ubiquitous realm Down Under). A vast furry world where most of the furs spend one weekend a year.

When the fluff-butted creator got bored and started a treasure hunt at FurDU 2022 he decided to step it up a little and left behind a series of fiendish puzzles, based on this year's theme of Retro Gaming and computers. Whoever is the first to solve them will become the owner of the ultimate prize. Arcade the Dutch Angel Dragon.

It's one person takes all, so be careful with whom you work with and to whom you share your information. You'll need some logical and illogical thinking and some knowledge about retro games and computers.

Scan the QR code and register your name for your first clue and start your quest to find the 3 keys that will lead you to the prize!
Good luck gunters.
